Aprašymas

The MOZA ESX Steering Wheel for Xbox combines official Xbox licensing with MOZA Racing's direct drive technology to deliver an unparalleled racing experience. Designed with a solid aluminum alloy rim and non-slip, sweat-proof ISF PU grips, it ensures maximum durability and comfort during intense races. The wheel features 22 customizable buttons for complete control and on-the-fly adjustments, while the fully adjustable RPM LED lights add a dynamic touch to your setup. With the industry-leading MOZA quick-release system, swapping wheels is fast and effortless, making this the ideal choice for dedicated racers.

Officially Licensed for Xbox

Combining Xbox console performance with MOZA Racing direct drive technology for the most immersive racing experience.

Durable ISF PU Grips

Our non-slip, sweat-proof durable grips offer a premium feel whilst being environmentally friendly.

Aluminum Wheel Rim

The solid aluminium alloy rim ensures maximum rigidity, durability and immersion.

MOZA QR System

The Moza Racing QR system makes swapping wheels both easy and fast and is widely regarded as the best in the industry.

22 Customizable Buttons

22 fully customizable buttons allow for racers to make all of the on-board adjustments they need while in the heat of battle.

Flow Shift Light

Fully customisable flow shift Rpm LEDs add a unique touch to your racing setup.
