Aprašymas

The **Hikvision DS-KD-ACF1/Plastic 2nd Video Intercom Brackets** are essential components designed for seamless integration with modular door stations. This product includes a flush mounting module bracket that comes complete with a gang box, cover screws, and necessary lines, ensuring a comprehensive installation solution for your intercom system. The thoughtful design facilitates easy setup while maintaining a sleek appearance.

Constructed from high-quality **plastic material**, the DS-KD-ACF1 brackets are built to withstand various environmental conditions, providing durability and longevity. This model is specifically engineered to enhance the functionality of your intercom system, making it an ideal choice for both residential and commercial applications. With Hikvision's commitment to innovation and quality, you can trust that this product will meet your intercom needs effectively.
