Aprašymas

The **Hikvision DS-KH7300EY-WTE2/White** is a state-of-the-art **2-wire HD Indoor Station** designed to enhance your home security and communication experience. Featuring a stunning **7-inch touch screen** with a resolution of **1024*600**, this device ensures crystal-clear visuals for effortless interaction. Its thoughtful design includes **three touch buttons** that cater to physically challenged users, making it accessible for everyone in the household.

Ease of use is a hallmark of the **Hikvision DS-KH7300EY-WTE2**. With **plug & play** functionality and support for various connection topologies, setup is straightforward and hassle-free. The device is compatible with the **Hik-Connect App**, allowing for remote access and control. Additionally, it features multiple indicators for **Wi-Fi, power, mute, and in use** statuses, along with the capability to configure up to **four custom virtual buttons** for personalized functionality.

This indoor station not only allows you to view live feeds from door stations but also supports advanced features such as the **Professional Studio / Trade button function** for automatic door opening and **Floor Call** support. With its innovative design and user-friendly features, the **Hikvision DS-KH7300EY-WTE2** stands out as a superior choice for modern security solutions.
