Aprašymas

The **Hikvision DS-KH8520-WTE1** is a cutting-edge **KH8 Series Indoor Station** designed to enhance your home security and communication. This **IP indoor station** features a vibrant **10" touch-screen** that provides an intuitive user interface for seamless interaction. With support for **Wi-Fi** connectivity and standard **PoE/12 VDC** power options, it offers flexibility in installation while ensuring reliable performance.

Equipped with a **TF card slot** that supports up to **32G**, the DS-KH8520-WTE1 allows you to store important messages and images, enhancing your ability to monitor and respond to security events. The device also includes **8-channel alarm inputs** and **2 alarm outputs**, along with a **1x485** interface for expanded connectivity. Additionally, it enables remote unlocking through the client or mobile app, providing convenience and peace of mind. Users can also view live video feeds from door stations and linked cameras, making it a comprehensive solution for modern security needs.
