Aprašymas

The **Hikvision DS-KH9310-WTE1(B)** is an advanced **All-in-one Indoor Station** designed to enhance your home or office security system. Featuring a vibrant **7-inch colourful touch screen** with a resolution of **1024 × 600**, this device provides a user-friendly interface that allows for easy navigation and control. The built-in **Android System** enables seamless integration of various applications, making it a versatile addition to your security setup.

One of the standout features of the **Hikvision DS-KH9310-WTE1(B)** is its capability to support third-party software integration, allowing users to customize their experience according to their specific needs. Additionally, the device comes pre-installed with the **Hik-Connect app**, which facilitates all-in-one management of Hikvision's devices directly from the tablet. This integration ensures that users can monitor and control their security system efficiently and effectively.
