Aprašymas

The **Hikvision DS-KV6113-WPE1(C) Plastic Villa Door Station** is a state-of-the-art solution designed for modern residential security. This model features **WiFi support**, allowing for a convenient setup without the need for complex wiring. The **web configuration** capability enhances user experience, making it easy to manage settings remotely. With its **attractive industrial design** and **IP65 rating**, this door station is built to withstand various weather conditions while maintaining a sleek appearance.

Equipped with a **2MP HD camera** and **IR illumination**, the Hikvision DS-KV6113-WPE1(C) ensures clear video quality both day and night. The internal **Mifare card reader** provides an additional layer of security with 1-channel indoor station access control. Furthermore, the device incorporates advanced **noise suppression and echo cancellation** technologies, ensuring clear communication without distractions. This model operates on **Standard PoE/12 VDC**, making it versatile for various installation environments.
