Aprašymas

The **Hikvision DS-KV8113-WME1(C)** is a state-of-the-art **Flush 1 Button Metal Villa Door Station** designed for enhanced security and convenience. Featuring a **2 MP camera with IR supplement**, this door station ensures clear video quality even in low-light conditions. The intuitive one name tag button calling design simplifies the process of answering calls, making it user-friendly for all residents.

Equipped with a built-in **card reader module**, the DS-KV8113-WME1(C) offers advanced access control capabilities. It operates on a **standard PoE power supply**, ensuring easy installation and reliable performance. The unit is constructed with an aluminum alloy material, providing an **IK08 & IP65** protection level, which guarantees durability against harsh weather conditions and vandalism. Additionally, the convenient **Hik-Connect APP** mobile control feature allows users to manage their door station remotely, enhancing the overall user experience.
