Aprašymas

The **Ubiquiti UA-G3-Intercom** is a cutting-edge intercom system designed for modern security and convenience. This device allows users to unlock doors using various methods including **Apple Wallet**, an **NFC card**, the **UniFi Identity mobile app**, **face unlock**, and **Touch Pass**. With the inclusion of **10 free 1-year Apple Touch Passes**, this intercom offers a seamless and secure entry experience, making it a top choice for residential and commercial applications.

Equipped with a directory and doorbell feature, the **UA-G3-Intercom** enables visitors to request entry easily. It can pair with multiple **UniFi Intercom Viewers**, providing remote access control that enhances security and convenience. The intercom connects to the **UniFi Access Hub series** using **Power over Ethernet (PoE)**, ensuring a reliable and efficient setup.

Designed to withstand the elements, the **Ubiquiti UA-G3-Intercom** is **weatherproof**, functioning effectively in outdoor conditions ranging from **-30 to 60° C**. This robust performance, combined with its advanced features, positions it as a superior choice in the intercom market, ensuring both durability and functionality for users.
