Aprašymas

Free up Your Hands - 3rd Party Compatible

Take command with voice control capabilities through popular third-party devices like Apple Homekit, Alexa and Google Home, allowing you to effortlessly manage your Tapo C125 and enjoy true hands-free convenience.

Seamless Privacy Control

Use the button on the product shell or Tapo app to easily open or close the privacy shield, giving you complete control over your private moments.

2K QHD AI Image Enhanced

Check the AI enhanced high-fidelity images with Tapo C125, you can see more details even in low light environment.

Invisible Infrared Lights Option

If the red IR LEDs are a distraction, you can switch to invisible IR mode to monitor during the night without having the red IR indicator. Ideal for indoor scenarios with children and pets.

140°Wide-Angle Coverage

140° wide-angle design provides you with more viewable area so that you can always know what matters most to you.

Smart AI Detection and Notification

Smart AI identifies people, pets, and vehicles while recognizing a baby crying and other sounds, notifying users as needed.

Person Detection

Notice everyone moving through your camera's field of view.

Pet Detection

Know what your fur baby is up to with the Tapo app.

Abnormal Sound Detection

Notifies you when hard sounds are detected.

Magnetic Base with A Long Power Cord

Mounting the Tapo C125 is simple with a strong magnetic base that can be used to stick the camera in desired angles and locations. The long power cord provides adequate distance to plug in the camera to power.
