Aprašymas

Capture the moment and turn it into a lasting memory right from your smartphone. This Sprocket printer connects quickly to your phone or tablet to help you print your favorite memories on the go. Share photos in an instant to relive the joy of any moment with your loved ones.

Turn moments into memories instantly

This Sprocket printer combines a lightweight design with a user-friendly interface to help you print in an instant. With intuitive Bluetooth® connectivity, you can bring your Sprocket anywhere, send a print from your smartphone, and watch your Sprocket wake up instantly to print your picture.

Bring everyone together

The joy of photo printing is sharing pictures with others, and no printer helps you do it better. Customize your Sprocket's name and LED colors to create a personalized experience for everyone. Name your Sprocket and customize the LED light color that lights up when you print.

All-in-one editing & printing app

With the HP Sprocket app, you can customize your photos to make personalized creations. Use the app to print from connected social media accounts and your camera roll. Break past traditional limits with the HP Sprocket.
