DAHUA 32-inch HD Smart LCD TV with Android OS (DHI-LTV32-SDB100)

Experience smart entertainment with the DAHUA DHI-LTV32-SDB100, a compact 32-inch HD Smart TV designed for modern living rooms, bedrooms, or surveillance monitoring centers. Powered by Android TV, this set grants instant access to your favorite streaming apps, media, and services directly on a crisp 1366 x 768 HD resolution LCD screen.

Combining reliable display technology with comprehensive connectivity options, this DAHUA Smart TV offers excellent functionality in a sleek package. Enjoy the benefits of wireless streaming via built-in Wi-Fi and Bluetooth, or connect external devices through its multiple ports.

Seamless Connectivity and Smart Features:

- **Smart Android TV Operating System:** Access thousands of apps and enjoy a user-friendly interface powered by Android TV.
- **HD Resolution (1366 x 768):** Provides clear, vivid imagery on the 32-inch LCD panel with a native 16:9 aspect ratio.
- **Versatile Port Selection:** Equipped with 2 HDMI ports for connecting gaming consoles or media players, and 2 USB 2.0 ports for local media playback.
- **Wired and Wireless Access:** Features integrated Wi-Fi and Bluetooth capabilities, alongside an Ethernet LAN (RJ-45) port for stable wired networking.

Installation and Design:

This television is designed for easy integration into any space. Its lightweight construction (4.1 kg net weight) and slim profile ensure minimal visual disruption. For wall mounting, the TV supports the VESA 200 x 200 interface, allowing flexible placement.

DAHUA is globally recognized as a leading provider of advanced security and IoT solutions, expanding its expertise to high-quality display technology designed for reliability and performance.

Order today from ++SHOP++ as we offer the best deals and guaranteed authentic DAHUA products.
