- ✓ Maximum number of offline players: 1

Aprašymas

IN THE END, THERE WILL BE ONLY CHAOS™

Originally developed by Sony Computer Entertainment's Santa Monica Studio exclusively for the PLAYSTATION®3 (PS3™) system, God of War® III has been remastered for the PLAYSTATION®4 (PS4™) system and gameplay supports 1080p and is targeting 60fps. God of War III Remastered will bring epic battles to life with stunning graphics and an elaborate plot that puts Kratos at the center of carnage and destruction as he seeks revenge against the Gods who have betrayed him.

Set in the realm of brutal Greek mythology, God of War III Remastered is the critically acclaimed single-player game that allows players to take on the fearless role of the ex-Spartan warrior, Kratos, as he rises from the darkest depths of Hades to scale the very heights of Mount Olympus to seek his bloody revenge. Armed with double-chained blades and an array of new weapons and magic, Kratos must take on mythology's deadliest creatures while solving intricate puzzles throughout his merciless quest to destroy Olympus.
