Pagrindinės savybės

- ✓ Control multiple devices via a single universal infra-red remote control: ideal as a replacement remote control for TVs, DVD players, video recorders, Blu-Ray players, receivers, etc
- ✓ Macro power: switch two devices on or off at the same time with only one remote control
- ✓ Master volume control and master channel selection: choose which device controls the volume and channel
- ✓ Colour-coded buttons for controlling the on-screen menu of your smart TV, e.g. "red button" and Teletext
- ✓ Each device button can be custom-assigned
- ✓ Direct code entry for rapid programming of the TV remote control; the code list is included in the scope of supply or online on the Hama website
- ✓ Automatic code search for convenient programming using a search function: For most AV devices, codes are already pre-programmed in; these are cycled through until the device responds
- ✓ Code memory: saves all the codes you have programmed on the TV universal remote control for up to ten minutes while the battery is being changed
- ✓ Thanks to its slim design, the multi-function remote control fits perfectly in the hand
- ✓ With the wide range of 10 metres, you can control the TV conveniently even in large living rooms

Aprašymas

Control up to eight devices

One for all: with the universal remote control, you can control the TV, DVD player, video recorder, satellite receiver, audio equipment, DVB-T receiver, cable receiver and amplifier (up to 8 devices) and put an end to remote control chaos

Quick access thanks to streaming buttons

The fastest way to your favourite series: app buttons for direct and quick access to your streaming services, from Netflix and Amazon Prime Video to Disney+

Learning function

A remote control that learns: with learning mode, you can transfer the functions of the original remote control very easily to the universal remote control, ensuring you don't lose out on any of the functions that are important to you

Pre-programmed

Pre-programmed smart TV remote control: for over 1,000 devices (including Samsung, LG, Philips, Panasonic, Sony, Grundig and many others)

Batteries included

Simply insert: The batteries for the TV remote control are included in the extent of delivery – so the multi-remote control is ready to go immediately

> 20% from demonstrably recycled sources

And so the circle closes: this product is made up of at least 20% recycled materials, enabling us to take part in an eco-friendly cycle

Plastic-free

Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability

FSC

FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood

Techninė specifikacija

Design	
Interface	IR Wireless
Remote control proper use	TV
