Pagrindinės savybės

- ✓ Prevent ESD Damage: Wrist strap grounds the user to safely discharge static buildup, while a 1MΩ resistor limits current, reducing shock risk and protecting components from immediate or long-term damage; Secure to ground via alligator clip or banana plug
- ✓ Comfortable Fit: Adjustable anti-static hook & loop strap fits most wrist sizes (up to 7in / 17.8cm), making it easy to stock a single wrist strap size; 360° wrist rotation supports full mobility while working
- ✓ Flexible Use: Antistatic wristband features a detachable cord enabling easy switching between workbenches or moving away from the work area; Coiled 5ft / 1.5m (when fully extended) cable is long enough to allow for ease of movement around the work area
- ✓ Work-Ready Durability: Designed for repeated use in ESD-safe environments while providing a reliable ground connection that holds up to daily use in assembly lines, repair benches, and electronic service environments
- ✓ The IT Pro's Choice: Our ESD-safe products deliver consistent and reliable grounding performance in electronics service and assembly workflows; Built to meet industry standards and backed by free lifetime 24/5 multi-lingual technical assistance

Aprašymas

Prevent electrostatic discharge while working on sensitive electronics

Protect sensitive electronics from electrostatic discharge during repairs, assembly, or equipment handling with this TAA-compliant ESD wrist strap.

Consistent ESD Grounding

The wrist strap grounds the user, safely discharging static buildup before it can damage sensitive electronics. A built-in 1MΩ resistor limits current flow to reduce the risk of electric shock. Secure the ground cord using the alligator clip or banana plug, depending on the grounding points available on your workbench.

Adjustable Fit

The anti-static hook and loop strap fits most wrist sizes (5.5 to 8.5in / 14 to 21.6cm), allowing teams to stock a single size across workstations. 360° wrist rotation enables full movement, helping keep the range of motion around the workstation.

Workbench-Friendly Design

Detachable wrist cord allows the user to switch between stations or step away without removing the band. Coiled cable extends up to 5ft /1.5m (when fully extended), allowing for freedom of movement within any static-controlled workspace.

Techninė specifikacija

Features	
Product colour	Black
Insulation resistance	1 MΩ
Adjustable strap	Yes
Connector(s)	1 x Banana, 1 x Alligator, 1 x Snap
Weight & dimensions	
Length (max)	150 cm
Length (min)	65 cm
Width	55 mm
Thickness	2.5 cm
Weight	25 g
Packaging data	
Package width	127 mm

Package depth	125 mm
Package height	20 mm
Package weight	29 g
Logistics data	
Products per master (outer) case	360 pc(s)
Master (outer) case length	335 mm
Master (outer) case width	430 mm
Master (outer) case height	400 mm
Technical details	
Compliance certificates	Trade Agreements Act (TAA)
Matmenys ir svoris	
Matmenys (I × P × A)	9,00cm × 8,00cm × 4,00cm
Svoris	0,05kg
