Aprašymas

Features Sponge Tourist has been inspired by travel, but dedicated to every day. Feel free when going to work, a business meeting, lectures, lessons or just in your free time. Spacious with lots of pockets Forget about clutter in your backpack, you'll find large and small pockets for storing a variety of items: a laptop or books, a phone, a tablet, a wallet, a notebook, glasses, an external battery, a shirt, and more. Secure your computer with a special strap. There are roomy pockets on the sides of the backpack for a bottle of water or an umbrella. USB connection USB charging is practical and convenient. After all, there are cases when the phone discharges at the wrong time. This backpack is a great solution, you can keep an external battery with a cord inside, all of which are connected so that you can charge your phone while walking. Convenient to travel and use. Quality and convenience The backpack is made from high quality material . Ergonomic design, well-distributed weight, wide and comfortable braces. Water resistant Made of rain and moisture resistant material, you won't have to worry about your computer or important documents getting wet under heavy rain. Travel Perfect as a hand luggage. It has a strap for attachment to a suitcase, and an inside pocket to hold important documents securely. This makes this backpack very comfortable for traveling. Gender: Unisex | Usage: Everyday
