Aprašymas

Features Neat and sleek, the Salter Large Platform Electronic Scale is the perfect kitchen gadget for all bakers looking for perfect accuracy. With an Add & Weigh feature, accurately measure multiple ingredients into one bowl by using the zero button; saving time on washing up. The Aquatronic function enables precise measuring of liquids and fluids in either metric or imperial measures to suit your preferences. Designed with the user in mind, the kitchen scale is a great space saver due to the slimline design, easy to store in drawers after use. The large glass platform is capable of holding all sizes of measuring bowls, and can be quickly wiped down if any spillages occur. 1 x CR2032 Battery included Technical data Width: 22.00 (cm) Height: 1.80 (cm) Depth: 18.00 (cm) Colour: Black Manufacturer: Salter | Tare function : Yes | Batteries: 1 x CR2032 battery included | Adjustable measuring units: Metric and imperial | Dimensions (mm): 220 x 18 x 180 | Body material: Glass | Color: Black | Special notes: Aquatronic function for measuring liquids
