Pagrindinės savybės

- ✓ Smart watch and fitness tracker with integrated GPS and notification function to monitor and optimise physical functions for a healthy lifestyle and active sport
- ✓ 14 types of sport can be stored on the sports watch
- ✓ Set sporting goals with the timer or stopwatch, e.g. 15 minutes of stair climbing or time the length of your sprint - it counts with the step counter too
- ✓ Perfectly networked: in combination with Google Fit, Apple Health and Strava, get even more analyses for a healthy lifestyle
- ✓ The display brightness is adjustable so that it can be adapted to any lighting conditions
- ✓ The right display for everyone: choose from various display designs and the option to create your own background picture
- ✓ The display is activated by an upwards arm movement
- ✓ Be gently woken up with vibrations
- ✓ With the integrated weather forecaster, never let rain or snow catch you by surprise again
- ✓ Thanks to the drinks reminder, you will finally always drink enough water - for the ideal fluid balance

Aprašymas

Don't just talk about it, do it! The simple yet versatile "Fit Watch 6910" continuously motivates you to reach your goals – in every respect. In meetings, doing sport, running through the city and on the piste: the hybrid smartwatch provides helpful analyses and simplifies everyday life.

- You want to know exactly: display your exact route while jogging, cycling or hiking with the integrated GPS - no smartphone required
- Don't miss a message ever again: notifications via vibration alarm and display with message preview for WhatsApp, Facebook, SMS, calls, e-mails and much more
- Whether in the rain or the pool: protection class IP68 means that the water-tight fitness tracker is suitable for all activities in and on water
- Swipe like on a smartphone: user-friendly, full-colour 1.28" Full Touch LCD display for a quick overview of all functions
- Jogging, swimming or yoga: choose from 14 types of sport and obtain an analysis based on your choice
- Keep an eye on your pulse 24 hours a day: continuous heart rate measurement even during periods of rest and sleep
- Sweet dreams or turning thoughts over in your head: with the sleep analysis function, know exactly how your deep sleep, dream and waking phases are divided up
- Blood oxygen measurement: measures the oxygen in the blood when activated
- With sound, everything runs better: Control music from the smartphone via the fitness watch, e.g. Start/Stop, next track and previous track
- This is an app you can rely on: "Hama FIT move" is quality assurance-tested and every function has been extensively checked in Germany
- Every droplet of sweat counts: the Fitness Watch automatically detects when you have been exercising for a long time and records this directly after confirmation
- No more couch potato: the exercise reminder pushes you to new peak performances after a pre-set time
- A daily goal of 10,000 steps: using the step counter, accurately track how many steps you take in a day
- Sporting daily calorie balance: on the display, see how many calories you have burned in total and in the app when you burned the most calories
- 6-day run time - one battery charge: record up to 6 days of activities with just one battery charge, and be ready for the next challenge after just 1.5 hours of charging

Techninė specifikacija
