Aprašymas

The Beper digital kitchen scale combines compact design and advanced features to accurately weigh solid and liquid foods. Featuring a tempered glass plate with an innovative colored brick pattern, it's perfect for those seeking practicality without sacrificing style. The tare function allows you to weigh multiple ingredients in succession, while the touch buttons and LCD display ensure simple and immediate use. Thanks to the rear hook, it can be hung to save space in the kitchen. The high-precision sensor measures from 1 g to 5 kg, with the option to select between grams and pounds. Complete with automatic shut-off and battery included, for a ready-to-use experience. Manufacturer: Beper | Maximum weight (kg): 5 | Accuracy (g): 1 | Bowl: No | Automatic switch-off: Yes | Tare function : Yes | Batteries: Included | Adjustable measuring units: grams / pounds | Dimensions (mm): 215 × 150 × 17 | Body material: Tempered glass, plastic | Color: multicolour | Special notes: Tempered glass plate with colored brick pattern, LCD display with touch buttons, rear hook for hanging, suitable for solid and liquid foods, compact and space-saving design
