- ✓ For faster installation the unit comes partially pre-assembled

Aprašymas

Multibrackets M Universal Ceilingmount - Ceiling mount for projector - white

A series of innovative projector HD-mounts with fine tune adjustment possibilities for projectors up to 30Kg.

The M Universal Projector Ceiling Mount HD 305-345mm with a smart fine tune adjustment possibility giving you easy placement of your projector best setting possible. You can orient and incline according to the ingenious lockable ball joint solution. The model features integrated cable-management, fine tune adjustment, once the projector is in place. This projector mount has a minimum of surface area to the projector good for not trapping heat close to your projector thus not cutting your projector lamps lifetime.

The built in fine tune adjustment technology provides a more simplified positioning. That way you can be sure to get a well-balanced position for your projector after installing it. This does not only save installation time but also make room for possible changes of what projector is being used or how your projection screen is positioned, perfect if you anticipate changing projectors in the future. The arms holding the projector are articulated and telescopic to adopt most projector models.

Multibrackets Projector Ceiling Mount HD series 305-345/ 620-800/ 970-1500 offers leading projector mount for ceiling installations up to 30Kg.

The series is made to minimize installation time, simplify maintenance and offers a sought after adjustment. This model also offers the an anti-theft security feature.

Techninė specifikacija
