Aprašymas

The **Hikvision DS-KAD706Y** is a state-of-the-art **2-wire IP distributor** designed to enhance your surveillance system's connectivity and efficiency. This model features **6-port 2-wire cascade interfaces** that operate without the need for an external device power supply, simplifying installation and reducing clutter. With **2 cascade interfaces** compatible with the **DS-KAD704Y**, **DS-KAD706Y**, and **DS-KAD706Y-S series**, this distributor is versatile and adaptable to various setups.

Equipped with **8 interface indicators**, a **RJ-45 Interface**, and a **Reset button**, the Hikvision DS-KAD706Y ensures easy monitoring and management of your connections. Its **Din rail mounting** capability and **24 VDC input power supply** make it an ideal choice for professional installations, providing both reliability and convenience. This distributor stands out in the market for its seamless integration and robust performance, making it a preferred option for enhancing your security infrastructure.
