- ✓ 1.2 m

Aprašymas

Braun water kettles combine a unique Braun design with a rapid boiling system for ultimate performance. With the Braun water kettle, boiling water is fast, easy and safe. Its German technology guarantees excellent performance day after day.

Easy filling

The wide front opening enables easier and direct filling from the tap.

Practical flip lid

Lid can be opened immediately with just one touch, allowing also high opening angle.

Convenient handle

Optimized ergonomics allow comfortable handling, even when the kettle is fully filled.

3-way protection system

Automatic shut-off when temperature is reached, boil-dry protection and switch-off when lifted from the base.

Compact design

Braun's most compact kettle fits almost every kitchen counter.

Convenient cleaning

Removable and washable anti-scale filter for easy cleaning.

Large water window

Large water window to maximize visibility and allow exact filling even for 1 single cup.
