- ✓ Colour-coded fever guidance
- ✓ Fast, gentle and easy to use
- ✓ Clinically-proven accuracy
- ✓ Safe and hygienic
- ✓ Suitable for all ages: infants, children and adults
- ✓ TempleSwipe Technology™

Aprašymas

Braun TempleSwipe™ thermometer - simply swipe over the temple for an accurate measurement in just seconds. It is fast, gentle and easy to use. Thanks to Braun TempleSwipe Technology™, our sensor captures a multitude of infrared heat points during the swipe motion to lock in precisely the correct temperature, ensuring the best accuracy every time. Braun TempleSwipe™ is safe and hygienic, and is suitable for the whole family including newborns.

TempleSwipe Technology™

Thanks to Braun TempleSwipe Technology™, our sensor captures a multitude of infrared heat points during the swipe motion on the temporal artery to provide an accurate temperature measurement.

Colour-coded fever guidance

Instantly interprets temperature reading with easy colour coding display – green, yellow or red

Place thermometer above the eyebrow

Place the thermometer against the skin just above the eyebrow

Take measurement

Press the temperature button

Swipe through the temple down and back

Keeping skin contact, slowly swipe the temple down to the ear and back to the eyebrow until long beep is heard

Remove cap

Remove protective cap

TempleSwipe Technology™ Colour-coded fever guidance Fast, gentle and easy to use

Techninė specifikacija

Features	
Type	Remote sensing thermometer
Product colour	White
Thermometer location	Forehead
Control type	Buttons
Units of measurement	°C
Power	
Battery type	AA
Number of batteries supported	2
Technical details	
Compliance certificates	CE
Sustainability compliance	Yes
Weight & dimensions	

Width	137 mm
Depth	51 mm
Height	216 mm
Weight	310 g
Packaging content	
Manual	Yes
Batteries included	Yes
