## Aprašymas

| Performance              |                           |
|--------------------------|---------------------------|
| Type:                    | Electronic personal scale |
| Maximum weight capacity: | 15 kg                     |
| Auto power off:          | Y                         |
| Accuracy:                | 100 g                     |
| Units of measurement:    | kg,lb,st                  |
| Shape:                   | Rectangle                 |
| Material:                | Glass                     |
| Colour of product:       | Blue                      |
| Top surface type:        | Glass                     |
| Memory function:         | Y                         |
| Easy to clean:           | Y                         |
| Non-slip feet:           | Y                         |
| Control type:            | Sensor                    |
| Ready to use:            | Y                         |
| Technology:              | 4-sensor                  |
| Turn-on type:            | Tap                       |
| Durable design:          | Y                         |
| Auto power on function:  | Y                         |

|                                |         |
|--------------------------------|---------|
| Overload indicator:            | Y       |
| Non-slip surface:              | Y       |
| Display                        |         |
| Display:                       | LCD     |
| Easy-to-read display:          | Y       |
| Weight & dimensions            |         |
| Platform thickness:            | 5 mm    |
| Packaging data                 |         |
| Quantity per pack:             | 1 pc(s) |
| Package type:                  | Box     |
| Power                          |         |
| Battery type:                  | CR2032  |
| Number of batteries supported: | 1       |
| Battery technology:            | Lithium |
| Packaging content              |         |
| Batteries included:            | Y       |

Techninė specifikacija

|                      |                           |
|----------------------|---------------------------|
| Matmenys ir svoris   |                           |
| Matmenys (I × P × A) | 0,00cm × 3,00cm × 31,00cm |
| Svoris               | 1,50kg                    |
