Aprašymas

5 Attachments

Heated, round, flat, bullet and u-shaped massage heads designed to soothe and relax muscles both big and small.

4 Intensity Settings

With four speed settings, this massage gun offers everything from a slow, gentle vibration to a powerful, fast-paced rhythm.

Helpful Heat

The heated head stimulates blood flow deep within the muscle tissue, which in turn speeds up recovery and enhances relaxation.

USB-C Rechargeable

Rest and recover for up to 3 hours at a time, whether you're at the gym, in the office or away for the weekend.

Powerful & Portable

Engineered to deliver a high-power massage wherever you are, the MYTI Massage Gun comes in a sleek travel case for use on the go.

Super Quiet

Designed with care to produce as little noise as possible, this massage gun is subtle when it comes to sound.

myti

it's the little things

A portable powerhouse, myti is the latest addition to the massage gun movement at Homedics. With five different heads and four intensities, myti empowers you to take full control of your massage experience (whether you're warming up, cooling down or chilling out).

get warmed up

designed to enhance feelings of relaxation while helping your muscles recover, the heated Peltier head reaches 45°C in seconds.

find your rhythm

opt for a slow, gentle vibration or take your massage to the next level with a powerful, fast-paced vibration.

small, lightweight & ultra quiet

5 massage attachments

including ball, u-shaped, flat, targeted and heated.
