Aprašymas

Product description

The new MultiQuick 7 gives you up to 50 % faster performance and 5 times finer results thanks to its PowerBell VPlus Technology*. What's more, the MultiQuick 7 is now equipped with the new Easy SmartSpeed – putting you in control with one touch. In fact, 84 % of users think SmartSpeed is more intuitive to use than a traditional speed dial**. And for even more versatility, a new double beater attachment is now available for up to 35 % faster preparation of whipped cream***. With the MultiQuick system – the world's largest attachment system, for unlimited versatility – you can do more but with only one device.
