Aprašymas

Precise cutting – strong, quiet and reliable. The all-purpose slicer with hardened RSG stainless steel blade "Made in Germany" delivers clean cuts for bread, sausage, cheese and more. The angled, detachable quality blade ensures exact results - just the way you like it. The efficient 130-watt DC motor works powerfully and at the same time pleasantly quietly. Thanks to the cutting thickness adjustment from 0 to 23 mm, wafer-thin slices are just as easy as thicker pieces. The blade and support table can be easily removed – for particularly hygienic cleaning. A device for every day – made for the highest demands in your kitchen. Manufacturer: Severin | Power (W): 130 | Blade material: Stainless steel | Slice thickness (mm): 0-23 | Dimensions: 24.5 x 36 x 23.4 cm | Weight (kg): 2.26
