Pagrindinės savybės

- ✓ Straightening iron Technology: Warm
- ✓ Hair straightening
- ✓ Adjustable thermostat
- ✓ Number of heating levels: 5
- ✓ LCD Built-in display
- ✓ Auto power off
- ✓ Cord length: 1.9 m
- ✓ Power source: AC 59 W
- ✓ Pink

Aprašymas

Extra-wide hair straightener to reduce styling time for those with long, thick and difficult hair. Fitted with our exclusive technology designed to protect the hair's natural keratin.

HAIR STRAIGHTENER KERATION X-WIDE DIGITAL

TheX-Wide Digital Keration hair straightener is fitted with innovative Micro Glitt technology. With the use of chemicals or due to mechanical processes, the hair becomes sensitive, defibrated and without shine. The Micro Glitt technology, a material that covers the heating plates, was created to protect the hair's natural keratin, and improves the texture and softness of the hair, which appears much smoother and stronger. The X-

Wide Digital Keration hair straightener allows you to adjust the temperature between 150° and 230° through its digital display, thus adapting to any type of hair. The extra wide and floating 40×100 mm heating plates make it easy to straighten voluminous locks of hair. The safety of the hair straightener is ensured by the auto switch-off system.

Techninė specifikacija

Performance	
Type	Straightening iron
Technology	Warm
Hair straightening	Yes
Hair curling	No
Adjustable thermostat	Yes
Number of heating levels	5
Temperature (min)	150 °C
Temperature (max)	230 °C
