Pagrindinės savybės

- ✓ Cylinder vacuum 3 L Red, White
- ✓ Dry Bagless
- ✓ HEPA, Water Filtering 79 dB
- ✓ Operating radius: 9 m

Aprašymas

DOUBLE HEPA FILTRATION

More fresh air

The outlet HEPA filter eliminates over 99% of particles from the air, including pollen and mite excrement, which is essential for those suffering from asthma or allergies. There is also a second HEPA filter on the dust container for extra effect.

Moving smoothly across any surface

Rubber wheels prevent damage to delicate flooring and provide solid traction. The vacuum cleaner does not leave any marks or scratches as it moves across smooth or rough surfaces.

Optimal handling

Ergonomically shaped rubber-coated hose and handle of vacuum cleaner afford optimal grip and more comfortable handling during vacuuming.

Powerful cleaning performance

Vacuum cleaners with water filtration do not require a bag. Instead, they have a collection bin that has to be filled with water prior to use. In the course of filtration of the air sucked into the vacuum cleaner, this water eliminates all dust particles and other impurities. Water filtration is therefore a filtration mode in case of dry vacuum cleaning – these appliances are not intended for vacuuming liquids (wet vacuum cleaning).

Perfect for multiple uses

Water tank is made of quality plastics for long and carefree use. It excels with an ergonomically designed handle and is easy to empty and clean to be ready for next use.

Park & stay

The vacuum cleaner has a special parking slot that simply and conveniently holds the brush or suction tube after cleaning or during breaks.

Automatic cable reel

Automatic cable reel, standard Gorenje vacuum cleaner equipment, will automatically reel the cable back into the appliance housing.

Techninė specifikacija

Specifications	
Sandėlio grupė	Home Appliances > Small Domestic Appliances > Vacuum cleaners and cleaning devices > Standart vacuum cleaners [+14][-6]
Design	
Type	Cylinder vacuum
Cleaning type	Dry
Dust container type	Bagless
Dust capacity	3 L
Product colour	Red, White
Tube length	90 cm
Number of wheels	3 wheel(s)
Wheels material	Rubber
Performance	
Vacuum air filtering	HEPA, Water
Dirt separating method	Filtering
Proper use	Home
Cleaning surfaces	Carpet, Hard floor
Noise level	79 dB
Airflow	20.2 l/s
Operating radius	9 m

Ergonomics

Automatic cord rewinder	Yes
