Pagrindinės savybės

- ✓ Countertop
- ✓ Ambient and hot
- ✓ Micro X-Clean Softening+ filter

Aprašymas

Pure tasting water

High performance meets ultra-convenience. Better protection against limescale build-up. Now you can enjoy pure-tasting water from ambient to piping hot within seconds. Multiple temperature and volume settings at the touch of a button.

Get the best out of your water

Enjoy crisp and pure tasting water, as well as flavourful hot and cold drinks. Philips Micro X-Clean Softening+ filter reduces chlorine, heavy metals and emerging contaminants such as microplastics and PFOA*. It also offers 50% more protection against limescale build-up.

Fresh hot water on demand within seconds

The fresh hot water comes out within seconds, at the exact temperature you like, bringing out the maximum aroma in your drinks.

3 temperature settings for your different needs

We provide pure-tasting water from ambient to piping hot. Tea, coffee, baby formula. You can do a million things with it.

Commonly used volume settings at the touch of a button

You can always find a suitable water volume to fill your cups, mugs, bottles or even jugs.

Filter lifetime indicator reminds on-time filter replacement

The filter lifetime indicator reminds you to replace the filter on time, to ensure the best filtration performance.

Plug and play; no installation required

The dispenser will start to work as soon as you connect the power and turn it on. No need to plumb in.

Safety lock to avoid scalding

When dispensing hot water, the safety lock will be automatically activated to ensure safety.

BPA-free

All parts that come into direct contact with water are made of BPA-free materials.

Techninė specifikacija

Features	
Product colour	Black, Stainless steel
Appliance placement	Countertop
Total capacity	2.2 L
Adjustable temperature	Yes
Maximum input water temperature	5 °C
Minimum input water temperature	38 °C
Replacement filter cartridge	Yes
