Pagrindinės savybės

- ✓ Powerful brushless motor for high performance and long service life
- ✓ Its 50 cm blade cuts thicker branches without jamming thanks to the patented Bosch Anti-Blocking System
- ✓ Easy handling due to the low weight, ergonomic design, and optimal balance – ideal for longer work

Aprašymas

The GHE 18V-50 Professional cordless hedge cutter is easy to handle thanks to its ergonomic design. The powerful brushless motor provides continuous trimming for medium-density hedges. With a cutting capacity of 20 mm, you can also cut thicker branches easily and comfortably. When trimming stubborn branches, the patented Bosch Anti-Blocking System prevents the cutting blades from jamming via electronic detection and automatic repetition of the cut. Thanks to its light weight, optimal balance, and ergonomic design, the cordless hedge cutter is well suited for longer work. The cordless hedge cutter's low noise level and emission-free operation make it the ideal tool for working in residential or other noise-sensitive areas.

Techninė specifikacija

Features	
Blade size	50 cm
Blade type	Single blade
Stroke rate	3000 spm
Cutting rate	1500 RPM
Product colour	Black, Blue, Red
Sound pressure level	83 dB

Sound power level	91 dB
Power	
Power source	Battery
Battery voltage	18 V
Weight & dimensions	
Weight	2.6 kg
Width	1006 mm
Depth	239 mm
Height	189 mm
Packaging data	
Package width	245 mm
Package depth	1075 mm
Package height	220 mm
Matmenys ir svoris	
Svoris	2,90kg
