## Aprašymas

Designed for convenient, effortless ironing. The TexStyle 5 combines great performance with a unique, ergonomically designed open handle – giving you maximum freedom of movement for a more pleasant ironing experience. It now also has the world's first FreeGlide 3D Technology – Braun's recognised standard as well as Smart iCare mode. It protects your clothes with a safe temperature for all kinds of fabrics – for smart textile protection.

## Precision tip

The triangular shaped precision tip at the front of the iron allows easy removal of the toughest wrinkles from hard to reach areas like collars and seams.

## Self-clean

Ensures long-lasting steam performance. Easy-to-use and convenient system to clean the soleplate from scale particles.

## Anti-drip

No more annoying water stains and leakage during ironing, even at low temperature.

## Auto-off

The auto-off function automatically turns off the steam iron after 8 minutes in the vertical position or after 30 seconds in the horizontal position for safety and energy saving.

## Easy Refill

Enjoy faster and more convenient refilling thanks to a larger water tank opening. The lid has also been designed more ergonomically to make it easier to open and close.

## Ergonomic open handle

High comfort and excellent handling while ironing thanks to the dotted texture for better grip.

## Great performance

Ideal combination of 2800 W power output and steam emission for a great end result.
