Pagrindinės savybės

- ✓ Financial Pocket Black
- ✓ Memory registers: 22
- ✓ CR2032

Aprašymas

Whether you are a student or a practicing professional, the fast and powerful HP 10bII+ makes it easy to solve business, financial, statistical, and math calculations accurately and quickly, at a price that everyone can afford.

Easy-to-learn and use.

Dedicated keys provide fast access to common financial and statistical functions. Maintains keystrokes of the HP 10bII while adding 10 types of financial and statistical calculations.

Fast and powerful.

Designed with powerful finance, business and statistical operations. View answers with up to 12 digits of accuracy. Get immediate results with no waiting for complex calculations. Store up to 22 numbers in memory registers for later use.

Meets exam requirements.

SAT, PSAT/NMSQT, and College Board AP (Advanced Placement) Tests. Ideal for exams: intuitive keyboard layout and minimal keystrokes for many common functions.

A great investment that can grow with your needs.

Suitable for multiple courses - from introductory business, finance, accounting, real estate, and banking to mathematics, science and statistics. First calculator in its class with probability distributions functions: a topic required in many introductory statistics classes. HP's legendary quality and reliability offer you peace of mind.

Classic, familiar design

Metal screen border screen provides protection and style. Rotate-and-click keys provide confidence with each keystroke.

Choice.

Now with the ability to choose your preferred entry system logic: chain or algebraic.

Techninė specifikacija
