Aprašymas

The Ray Battler RB 6568 Curling Iron is designed for creating defined spiral curls, tighter waves and bouncy volume. Its 19 mm barrel is a versatile choice for customers who want more structured curls while still keeping the styling natural and flexible. The extra-long 12 cm working barrel allows more hair to be wrapped around the barrel at once, helping make styling faster and more convenient. The model is suitable for short, medium and long hair. The barrel features a ceramic tourmaline coating for smoother styling, reduced pulling and even heat distribution. Four temperature settings allow the user to adjust the heat according to different hair types: 160°C, 180°C, 200°C and 220°C. For comfortable everyday use, the RB 6568 is equipped with an LED temperature display, 360° swivel cord and practical storage loop. The 60-minute automatic shut-off adds an extra level of safety. A heat-protective glove and storage/travel case are included, making the curling iron suitable for both home use and travel.
