Aprašymas

The Ray Battler RB 6566 Curling Iron is designed for fast, comfortable styling and creating loose waves and voluminous curls. Its 25 mm barrel is a versatile size suitable for short, medium and long hair, making the model attractive for a wide range of customers. The extra-long 12 cm working barrel allows more hair to be styled at once, helping reduce styling time, especially on medium and long hair. The ceramic tourmaline coating provides smooth glide, even heat distribution and reduced pulling during styling. Four temperature settings allow users to select the appropriate heat level for different hair types: 160°C, 180°C, 200°C and 220°C. The integrated LED display makes the selected temperature easy to see. For convenient everyday use, the curling iron features a 360° swivel power cord, storage loop and 60-minute automatic shut-off. A heat-protective glove is included for safer styling. The RB 6566 is supplied with a practical storage/travel case, making it suitable for both home use and travel.
