## Aprašymas

The Ariete 979 Vintage Electric Oven is the design oven which, with its unique shapes and pastel colours, decorates your kitchen. The compact size of this oven (47.5 L x 40 W x 24.5 H) makes it easy to find a spot for it in the kitchen. The Vintage electric oven has an 18 litre capacity and allows for the possibility of turning on both elements, or only the top/bottom element separately, for grilling/defrosting. The timer, which can be set for up to 60 minutes, allows you to program cooking times and the thermostat that regulates the internal temperature up to 230 °C allows you to customise your cooking. The Vintage oven is perfect for making pizza thanks to the round cavity at the back of the oven: it can hold a plate with a diameter of up to 30 cm. Ariete makes iconic and functional products: the Vintage Line combines Italian design with the ease of use that is the hallmark of Ariete, Italian company that is a leader in ovens for domestic use.
