## Aprašymas

Take a moment to pause with the Homedics Heated Shiatsu Back Massager. Portable and lightweight, unwind on your schedule and enjoy a deep-kneading, shiatsu massage fully customised to your body. Powerful Shiatsu Massage Deep-kneading, rotating nodes mirror the movement of a traditional Shiatsu massage. Featuring 3 massage modes for customised relief, this portable cushion helps ease stiffness and sore overworked muscles. Deep Soothing Heat Need that extra dose of relaxation? Optional gentle warmth intensifies your massage by penetrating deeper into your muscles, taking away tension, and quietly melting the stress of the day. Made to Move Cordless and lightweight with a carry handle and adjustable strap, easily take your massage on the move from home to the office, because you deserve comfort all throughout the day. Deep-kneading shiatsu massage nodes Lightweight and portable cushion with a slimline design Heated lumbar zone for deep, soothing lower back relief 3 modes to target lower back, upper back, and full back Spot massage mode for personalised tension relief Cordless and USB-C rechargeable Take a break with the Homedics Heated Shiatsu Back Massager. Like your personal massage therapist, this cordless cushion treats you to a relaxing deep-kneading shiatsu massage whenever you need a moment to unwind. Perfectly sized for any chair, this massage cushion works precisely where you need it, with the freedom to position it however best suits you. With dedicated programmes to target the lower back, upper back, or full back, as well as a clever spot massage function for focused relief. The soothing lumbar heat gently relieves tightness and tension in your lower back muscles. Like a deep exhale for your body and mind, it's the perfect remedy for that mid-afternoon slump, or an evening when you need to reclaim your calm.
