LIBERA LA FANTASIA!

Aprašymas

Ariete's pizza oven will be the ally in the kitchen of all pizza lovers. The product improves its performance with a high quality refractory stone plate with a diameter of 32cm that allows you to cook and / or heat pizza and focaccia at five cooking levels, up to a maximum temperature of 400

degrees. The refractory stone is equipped with a transparent non-stick treatment that makes cleaning the stone better as residues and oil are not absorbed by the stone itself. Fast cooking at high temperature allows you to replicate the same method of wood-fired ovens and in just 4 minutes you get a perfect cooking for homemade pizza, and 2 minutes for frozen pizza. Enjoying pizza at home has never been so quick and easy. Seeing is believing!
