Aprašymas

SilkFinish precisely removes and trims any unwanted hair from eyebrows, bikini line, face or any other sensitive areas.

SilkFinish highlights:

Precision cutting head

The precision cutting head precisely and safely removes hairs from the eyebrows, face and other sensitive areas.

Two bikini zone trimming combs

The two bikini zone trimming combs (5 mm, 8 mm) fit the bikini zone cutting head and trim hairs to a uniform length for a smooth bikini line.

Bikini zone cutting head

The t-shaped bikini zone cutting head is ideally for the use in the bikini area without irritation.

Techninė specifikacija
