- ✓ Machine packaging based on 70% recycled material / D1 cassette housing and packaging based on 80% recycled material

Aprašymas

LabelManager® Executive 640 CB accommodates both D1 Standard and Durable tape options with widths ranging from 1/4" to 1" (6mm-24mm), consisting of a diverse range of colors and finishes. Experience the convenience of on-the-go labeling with the LabelManager® Executive 640 CB. Designed for mobile professionals, its rechargeable lithium-ion battery and compact design ensure effortless label creation wherever you are. Its textured grip offers comfort during extended use, reflecting our commitment to ergonomic excellence. With a high-resolution screen for unmatched readability and an intuitive and clear menu navigation for advanced accessibility, the LabelManager® Executive 640 CB sets a new standard for label creation and customization. Additionally, the LabelManager® Executive 640 CB's user-friendly interface and dual connectivity options, such as Bluetooth® Low Energy technology and USB-C, allow you to save virtually limitless* personalized labels through DYMO®'s mobile and desktop software applications, fostering a streamlined workflow and eliminating the need to pair your device. Whether organizing at your workspace or working in the field, the LabelManager® Executive 640 CB empowers you with unparalleled efficiency and precision in labeling tasks.
