Aprašymas

Compact and powerful, the Beper Chopping Machine with 500 ml glass container is the perfect helper for everyday kitchen preparations. The stainless steel blades ensure fast and even chopping, ideal for vegetables, meat, dried fruit and herbs. With the included accessory for emulsifying or whipping cream, it becomes an even more versatile tool for making sauces, mousses or light preparations. The 2 selectable speeds make it easy to achieve the desired consistency, while the integrated safety system and non-slip base guarantee stability during use. Easy to disassemble and clean, it is the practical choice for an organised and efficient kitchen.
