Aprašymas

Uncompromising care – for every look, every day. The 6-in-1 Multi Grooming Set offers everything that makes modern men's grooming: A device for hair, beard, body, nose and precise contours - with innovative magnetic technology for changing attachments in seconds. The powerful battery charges in just 2 hours and delivers up to 90 minutes of cordless operation - for complete freedom in styling. The high-quality metal housing fits ergonomically in the hand and guarantees maximum control in every application. Waterproof to IPX6, easy to clean and ready when you are - for a well-groomed result without detours.
