Aprašymas

Create fresh juice instantly with the Progress Cone To Cup Citrus Juicer. Two interchangeable cones attachments are included for both small and larger fruits such as lemons, limes, oranges and grapefruits. Designed with a built-in anti-drip spout you can easily juice straight into a glass ready to drink with no spills! Powered by a 60W motor, this electric juicer has multidirectional rotation for a maximum extraction of juice, nutrients, and vitamins so you can get your 5-a-day the easy way. Manufacturer: Progress | Power (W): 60 | Auto reverse function: Yes | Anti drip function: Yes | Special notes: Includes small & large interchangeable juicing cones, straight-to-glass serving | Color: Black, Silver
