### Aprašymas

The La Cuisinette MWK 004 is a durable stainless steel stovetop kettle with a recommended capacity of 2.5 litres and a maximum capacity of 3.0 litres. Its integrated whistle clearly indicates when the water has reached boiling point. The practical design makes the kettle convenient for everyday use, while its induction-compatible base allows it to be used on induction cookers. The polished stainless steel finish gives it a clean and timeless appearance suitable for any kitchen.
