Aprašymas

The powerful hand blender set combines smart design with real versatility: The ergonomic handle fits securely in the hand, and the removable stirring rod can be cleaned in no time at all. With the turbo function and up to 14,400 rpm, the blender chops even harder ingredients effortlessly. Whether mixing, stirring or chopping - the 3-in-1 set with measuring cup, whisk and chopper offers you maximum freedom for creative recipes. A practical all-rounder – for more speed, more comfort and more possibilities in your kitchen. Manufacturer: Severin | Power: 350 W | Speed settings: Continuously adjustable | Turbo speed: Yes | Splash protection: Yes | Number of attachments: 3 | Frother: Yes | Chopper: Yes | Measuring cup: Yes | Cord length (m): 1 | Wireless operation (with battery): No | Color: Black | Weight: 0.956 kg | Special Notes: functions include mixing, stirring and chopping
