Aprašymas

Beper 3-in-1 hot dog maker and egg cooker — your perfect ally for quick snacks and delicious dinners! With a single device, you can: - Steam hot dogs, sausages, and vegetables - Cook up to 6 eggs thanks to the practical integrated egg holder - And warm up to 2 rolls with the stainless steel rods Thanks to the independent switches, you can manage steaming and bread warming separately for customized preparation. The removable transparent container makes cleaning quick and easy, while the non-slip feet ensure maximum stability. Easy to use, powerful with its 440 watts, and ready in just minutes!
