Aprašymas

8-in-1 multifunctional styling set — hairdryer, curling iron, and styling brushes for versatile haircare. Powerful 1400 W motor with 110,000 rpm for fast drying and styling without high heat exposure. Advanced plasma ionization (200 million ions) reduces frizz, eliminates static, and adds shine. Smart NTC sensor monitors temperature in real time to prevent overheating and protect hair. 8 interchangeable styling tips for curls, waves, and smooth hair suitable for all hair types. 3 speed levels & 4 temperature modes including cold air for setting hairstyles. Ergonomic, heat-resistant design ensures safe and comfortable handling. Elegant storage case included for easy storage and transport — perfect for home or travel. Manufacturer: Lovio | Power (W): 1400 | Number of speeds: 3 | Temperature modes: 4 | Cold air flow: Yes | Narrow concentrator nozzle: Yes | Diffuser: Yes | Ionizer: Yes | Color: Navy blue | Number of nozzles: 8 | Special notes: Multifunctional curling iron set; NTC temperature sensor; ergonomic and heat-resistant tips; air flow power regulation; includes storage case
