Pagrindinės savybės

- ✓ USB and Wi-Fi connectivity with AirPrint support to print directly from another wireless device
- ✓ Built-in label editing software doesn't need installing. Simply click to run
- ✓ Download free P-touch Editor label design software to include barcodes, images and print from a database
- ✓ Integrated cutter to create your own length labels
- ✓ Optional rechargeable Li-ion battery base for mobile labelling applications

Aprašymas

This high-speed label printer connects to your PC, Mac, smartphone or tablet using USB or Wi-Fi. The built-in P-touch Editor Lite software is so easy to use - simply connect the printer to your computer, click the icon to launch the software and design and print your labels.Thanks to its advanced print mechanism and special label roll, you can also print labels that can contain both black and red colours without the need for ink or toner.And when you discover you can print custom sized labels up to one metre in length using the integrated cutter and continuous label rolls, it's easy to understand why the QL-810W is the ideal choice for offices, workgroups, mail rooms and receptions..
