Aprašymas

Create Freely, Shine Everywhere

Unfold your creativity. Osmo Mobile 8 unlocks smooth 360°

horizontal spin and effortless low-angle shots. With direct phone connection, enjoy native tracking that always keeps your loved ones in frame. The Multifunctional Module combines human and pet tracking, lighting, and audio capture, ensuring your subject stays in focus whether you're creating content, recording daily life, or joining a video call. Never miss a moment!

Composition in Your Hand

The new Osmo FrameTap mirrors the view from your phone or the Multifunctional Module 2. Whether you are framing a rear-camera selfie or directing a shot from a distance, your composition stays clear and in your control.

Locks on To Anything

The new Multifunctional Module 2 tracks more than people, cats, or dogs. It follows general objects too. From collectibles to sleek cars to landmarks, Osmo Mobile 8P keeps them centered. Highlight and switch focus as your story unfolds.

Integrated Design, Ready To Create

Osmo Mobile 8P features a built-in extension rod and tripod for instant versatility. Add the Multifunctional Module 2 for a handy fill light setup.

Pro Framing and Tracking Phone Gimbal

The Osmo Mobile 8P is a pro-grade 3-axis phone gimbal built around a detachable remote - the Osmo FrameTap - that gives you live framing and one-tap subject locking from your hand or at a distance. It runs ActiveTrack 8.0 for crowd-penetrating subject tracking, supports Apple DockKit for native app tracking, and pairs with the Multifunctional Module 2 to follow people, animals, and general objects. 10-hour battery, built-in extension rod and tripod, 360° pan rotation, and USB-C phone charging round out the package.

Built for Solo Creators on the Move

Content creators and vloggers who shoot solo or in dynamic environments - concerts, sports, travel - and need reliable hands-free tracking without a dedicated camera operator. The FrameTap remote makes it especially suited for anyone who wants to frame and direct shots independently, whether that's rear-camera selfies, low-angle pet shots, or overhead crowd footage.

The Only Osmo Mobile With a Detachable Remote

The 8P is the only Osmo Mobile with the FrameTap remote (phone screen mirroring + tap-to-track), Multifunctional Module 2 compatibility (object tracking + fill light), and the wider split tripod design (97mm radius vs. 77mm on the 8/7P). ActiveTrack 8.0 is shared across the current lineup, but the 8P adds the remote control layer and expanded module ecosystem that the standard 8 and below lack.

Summary: DJI Osmo Mobile 8P Advanced Tracking Combo. Type: Smartphone camera stabilizer, Product colour: Black, Angle of rotation: 360°. Controllable tilt range: -37 - 55°, Controllable roll range: -52 - 256°, Mechanical tilt range: -224 - 100°. Operating time: 10 h, Charging time: 2.5 h. Battery technology: Lithium Polymer (LiPo), Battery capacity: 3350 mAh. Weight: 386 g, Width: 291 mm, Depth: 110 mm | Vendor Homepage: <https://djistoresverige.se/en/products/osmo-mobile-8p> | Tipas: Išmaniojo telefono kameros stabilizatorius | Produkto spalva: Juoda | Sudedamas: Taip | Su varikliu: Taip | Rotacija: Taip | Sukimosi kampas: 360 | Maksimalus svoris (tūris): 0.3 | Minimalus prietaiso plotis: 67 | Didžiausias įrenginio plotis: 84 | Kontroliuojamas pakreipimo intervalas: -37 - 55 | Kontroliuojamas sukimo intervalas: -52 - 256 | Mechaninio pakreipimo intervalas: -224 - 100 | Mechaninio sukimo intervalas: -77 - 255 | Bluetooth: Taip | Bluetooth versija: 5.3 | USB įkrovos prievadas: Taip | Baterijos technologija: Ličio polimeras (LiPo) | Integruota baterija: Taip | Baterijos talpa: 3350 | Eksploatavimo trukmė: 10 | Įkrovimo laikas: 2.5 | Darbo temperatūros diapazonas (TT): 0 - 40 | Akumuliatoriaus talpa: 12.06 | Plotis: 291 | Ilgis: 110 | Aukštis: 101 | Svoris: 386 | Matmenys kai sulankstytas: 196 x 105 x 38 | Bruto svoris: 0.612 | Battery weight: 29 | Baterija: Lithium-Ion polymer rechargeable | Neto svoris: 0.386 | Vienetų skaičius vienoje siuntimo dėžėje: 12 | Vieneto plotis: 13 | Vienetų skaičius ant paletės: 0 | Shipping Box Height: 25 | Vieneto gylis: 20 | Vieneto aukštis: 5.5 | Name: GIMBAL OSMO MOBILE 8P ADVANCED/TRACKING CP.OS.00000564 DJI | Model name: Osmo Mobile 8P Advanced Tracking Combo
