Aprašymas

The **Hikvision DS-KV6114-E1 Door Station** is an advanced intercom solution designed to enhance security and convenience at your entrance. Featuring a remarkable **4 MP resolution** and a wide **150-degree viewing angle**, this device ensures that you can see and communicate with visitors clearly, no matter the time of day. Its robust design is complemented by the ability to control **two locks**, providing flexibility and security for your premises.

Equipped with multiple unlocking methods, including **Card**, **Hik-Connect**, and internal station access, the DS-KV6114-E1 offers versatility to meet various security needs. Additionally, it supports **video recording and playback** via Hik-Connect or a PC network, allowing you to keep track of all activities at your door. The device is powered by a **standard PoE power supply IEEE802.3at**, ensuring efficient and reliable operation.

As part of Hikvision's commitment to innovation, the DS-KV6114-E1 stands out with its superior video quality and user-friendly features, making it an ideal choice for both residential and commercial applications. Trust in Hikvision's reputation for excellence in security technology to protect your property effectively.
