### Pagrindinės savybės

- ✓ Video input channels: 10 channels
- ✓ 2592 x 1944 pixels
- ✓ Wi-Fi 802.11b, 802.11g, Wi-Fi 4 (802.11n), Wi-Fi 6 (802.11ax)
- ✓ Maximum storage capacity: 16 TB HDD interface: SATA
- ✓ Ethernet LAN (RJ-45) ports: 1
- ✓ Black

Aprašymas

Powerful NVR for Better Performance.

Two-Way Audio.

With built-in mic and speaker, you can hear and speak via the NVR directly — no need for extra hardware.

Imou Cameras Auto-Pair in Seconds.

Cameras connect automatically — no complex configuration needed.

Stable Connection with Dual-Band Wi-Fi 6 and 4 Antennas.

Dual-band Wi-Fi 6 with 4 antennas ensures stable connection and low latency.

Up to 4K UHD Output for Ultra-Clear Viewing.

Supports both HDMI and VGA outputs for flexible display options — enjoy sharp, detailed footage on any monitor.

Techninė specifikacija

| Performance                |                                                         |
|----------------------------|---------------------------------------------------------|
| Video input channels       | 10 channels                                             |
| Maximum resolution         | 2592 x 1944 pixels                                      |
| Audio formats supported    | AAC                                                     |
| Video formats supported    | H.264, H.265                                            |
| Wireless LAN features      |                                                         |
| Wi-Fi                      | Yes                                                     |
| Wi-Fi standards            | 802.11b, 802.11g, Wi-Fi 4 (802.11n), Wi-Fi 6 (802.11ax) |
| Wi-Fi band                 | Dual-band (2.4 GHz / 5 GHz)                             |
| Hard drive                 |                                                         |
| Maximum storage capacity   | 16 TB                                                   |
| HDD interface              | SATA                                                    |
| Ports & interfaces         |                                                         |
| Ethernet LAN (RJ-45) ports | 1                                                       |
| Ethernet LAN data rates    | 10,100 Mbit/s                                           |
| HDMI output                | Yes                                                     |
| HDMI ports quantity        | 1                                                       |
| VGA (D-Sub) output ports   | 1                                                       |
| USB 2.0 ports quantity     | 2                                                       |
| Microphone in              | Yes                                                     |
| DC-in jack                 | Yes                                                     |
| Features                   |                                                         |

|                             |                             |
|-----------------------------|-----------------------------|
| Product colour              | Black                       |
| Certification               | CE                          |
| Power                       |                             |
| Power                       | 9 W                         |
| Output current              | 1 A                         |
| Output voltage              | 12 V                        |
| Operational conditions      |                             |
| Operating temperature (T-T) | -10 - 45 °C                 |
| Weight & dimensions         |                             |
| Width                       | 260 mm                      |
| Depth                       | 241.5 mm                    |
| Height                      | 60.2 mm                     |
| Weight                      | 890 g                       |
| Packaging content           |                             |
| Cables included             | LAN (RJ-45), SATA           |
| AC adapter included         | Yes                         |
| Matmenys ir svoris          |                             |
| Matmenys (I × P × A)        | 21,00cm × 37,00cm × 12,00cm |
| Svoris                      | 1,50kg                      |
